

BACHATA INSTRUCTORS · LISBON, PORTUGAL

ROBERT & KIRA

Practical bachata techniques you can actually use

ABOUT US

We are Robert & Kira, a bachata couple from Russia, based in Lisbon since 2022. We teach workshops at festivals and classes before parties, and compete across Europe. We teach skills that make social dancing feel natural, not choreography for its own sake.

WHAT WE TEACH

Musicality and timing · Connection, lead and follow · Body movement and control · Footwork and turn patterns · Confidence on a social floor

ROBERT

Dancing since 2018, competing actively across Europe. Taught workshops at Dance Casa Festival, Budapest. Focuses on musicality, styling and self-expression, bringing concepts from other styles into bachata.

KIRA

A professional dancer since the age of five, with a background in competitive ballroom and contemporary dance. Teaching social dance for over six years — St Petersburg 2020–2022, Lisbon since 2022. Bachata, salsa, kizomba and zouk. Focuses on technique and the mechanics of leading and following.
